

dotnamecpp::utils::  
UtilsFactory::createPlatformInfo

```
graph LR; A["dotnamecpp::utils::  
UtilsFactory::createPlatformInfo"] --> B["dotnamecpp::utils::  
PlatformInfoFactory  
::createForCurrentPlatform"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'dotnamecpp::utils::' followed by 'UtilsFactory::createPlatformInfo' on the next line. The right box is white with a thin black border and contains the text 'dotnamecpp::utils::' followed by 'PlatformInfoFactory' on the next line, and '::createForCurrentPlatform' on the third line. A solid blue arrow points from the right side of the left box to the left side of the right box.
